

3 8 degrees outdoor power supply

The Power supply is fully enclosed and filled with silicone, making it IP67 waterproof, which can meet more indoor and outdoor use scenarios. This power supply uses a ...

DO NOT completely submerge it underwater because it's only IPX6 rated rather than IPX8. IPX6 waterproof power strip can handle splash, rain, and even instant water flow. The water can still flow into the socket, but can't connect the power, or damage the circuit.

The system is powered over a CAT5 network cable via Power over Ethernet (PoE) using a Power Supply and PoE Inserter (included). Features include an advanced battery ...
