

# Central Asia Home Solar System Franchise

What are the different types of solar franchises?

Most solar franchises offer 2 types of models: Dealer/Distributor Model: You purchase products and sell them at profit. Higher risk, higher margin. Franchisee Model: You operate under a brand name, receive leads, tech support, and fixed commissions.

Is a solar franchise a good investment?

The solar franchise model offers tremendous advantages such as low initial setup, flexible working, and scalable profits. Here's why it's one of the best investments you can make today: ? Government-Backed Programs: Subsidies, tax incentives, and grid support under schemes like PM-KUSUM, and Surya Ghar Yojana.

Should I buy a solar dealership or a franchise?

A: If you are new to the solar business, choosing a franchise model is generally safer and more profitable. In a dealership, you purchase stock upfront and sell it independently (higher risk, inventory cost).
