Are transport containers a game between kilograms and durability?

The development of transport containers is the game between kilograms and durability. We are aware of the fact that only containers with low weight,high durability and long lifetime are competitive on the market. By use of computer simulations,...Read more

Where are Moco-Montan containers made?

Our transport containers,so called MOCO-Montan Container,which are used in combined transport road-railway,are exclusively developed and produced in Celje. Over the years,the quality has improved steadily and Container d.o.o has now a very good reputation internationally.

The process is simple: apply for permits, purchase one or more containers, and use custom shipping container modification kits to help to customize a container.

Whether you're searching for a reliable storage solution, a customized office space, or an innovative project build in Slovenia, our extensive range of containers is designed to offer ...

Discover TLS Energy's specialized Battery Energy Storage System (BESS) containers and enclosures, designed for utility-scale projects. Offering ...

Dive into the world of BESS containers by TLS Offshore Containers International, a leader in providing customized energy storage solutions to clients worldwide.

Discover the top emerging companies in the Energy Storage Tech Startups in Slovenia, their funding activity, key investors, company highlights, and growth stages

As the global energy landscape rapidly evolves, energy storage systems (ESS) are playing a critical role in building modern, resilient power infrastructure. TLS is committed to ...

A medieval city where dragon legends meet cutting-edge battery tech. Welcome to TIMES Energy Storage Ljubljana - where Slovenia's capital is quietly becoming the Bruce ...

# Customized energy storage containers in Slovenia

Explore GSL ENERGY's advanced OEM/ODM solar energy storage systems: containerized ESS, modular lithium battery packs, and EV charging storage. Certified & ...

At Highjoule, we specialize in designing and manufacturing customized solar and energy storage solutions to meet diverse energy demands -- from grid-tied urban systems to remote off-grid ...

Slovenia's strategic push toward renewable energy gains momentum with the opening of a cutting-edge energy storage container factory in Maribor. This facility positions the Alpine ...

TLS OFFSHORE CONTAINERS /TLS ENERGY Battery Energy Storage System (BESS) is a containerized solution that is designed to store and manage energy generated from renewable ...

As a global pathfinder, leader and expert in battery energy storage system, BYD Energy Storage specializes in the R& D, manufacturing, marketing, service and recycling of the energy storage ...

Slovenia Container-Type Energy Storage - Replacing fossil fuel burners with Haiqi's proprietary biomass clean renewable energy, recovering valuable by-products (eg: biomass char, tar, ...
