What can you do with a custom power bank?

These personalized power banks with your logo will be used to charge smartphones and tablets. They make a wonderful client gift or are perfect to add to a new employee welcome aboard package. Stay in charge of your branded swag by adding a custom power bank to your event giveaway line-up or client thank you gift list.

Do you need a power bank with a custom logo?

With your custom logo, a promotional power bank ensures your brand stays around for a long time. Custom power banks are perfect to increase your logo's visibility while making a functional gift. When you need to charge cell phones and tablets, you want one handy. A power bank can be customized with your brand's logo.

Are portable chargers a good promotional product?

Portable chargers, when purchased with the right features, are welcome promotional products. Every day that your company swag sits in storage, you're losing out on exposure. If you hand out a power bank as part of a virtual event swag bag or add a thank-you gift card, you'll get instant exposure.
