

# How to sell containerized energy storage tanks

Is container Xchange a good place to sell shipping containers?

Or maybe buying a shipping container was the most financially viable option for your transportation needs, but you no longer need it. Whatever the reason, if you're looking for a safe and convenient way to sell shipping containers, Container xChange is the right place for you.

Should you sell a shipping container online?

One of the biggest advantages of selling a container online is that you can use other sale prices as your guide. Shipping container costs vary based on a range of factors, including dimensions and types of containers, location, and shipping container grades (or condition).

How can I sell a container?

To sell a container, consider using images, videos, and other visual assets to show off your containers on a website. If possible, use a self-service e-commerce platform. This will allow buyers to easily buy or rent containers using your website. Keep in mind that buyers today want a quick and easy purchase, and "going digital" with your container sales is likely to pay off into the future.
