How do I find the best solar panel installer near me?

There are five steps to finding the best solar panels provider near you. Find a network of trusted installers for your solar system, solar panels and electricity needs. Find a solar panel installer today! 1. Understand the Costs and Credits

How do I choose a solar company for my home?

When beginning your home solar project, you might start by searching "Solar Providers Near Me." Then, you'll be presented with dozens of different solar companies to choose from. All of these installers will vary in size, equipment offerings, and reputability, and it can take months to line up multiple quotes. But there's a better way.

How do I choose a solar installer?

According to Joshua M. Pearce, Ph.D., the John M. Thompson Chair in Information Technology and Innovation at Western University in Ontario, Canada, "you should try to get three solar installers to give you quotes and, all things equal, choose the lowest \$/W (cost per unit power)...get a free quote with some basic life cycle modeling.

How do I find solar incentives?

Use our solar calculator to estimate your savings & find solar incentives. Compare local solar companies & installers on price, workmanship, and after-sales support. Read about solar panels, residential solar, panel maintenance, and more.

How do I choose a solar panel vendor?

"When deciding between vendors, ask them to provide a North American Board of Certified Energy Practitioners (NABCEP) certificate. NABCEP is the best national standard certification program, and any vendor possessing this accreditation is undoubtedly an expert in the field." says Alan Duncan, CEO & Founder of the Solar Panels Network.

What questions should I ask a local solar panel company?

There are a few qualifying questions you should ask a local solar panel company before hiring them: Will you handle permits for the installation? Does your total price include the equipment and labor? How long do you expect the installation process to take? What kind of workmanship warranty do you include with your installations?
