

New Zealand Clam Photovoltaic Container Customization

Why should you choose LZY solar panels on shipping container?

Efficient hydraulics help get the solar panels ready quickly. Due to its construction, our solar panels on shipping container offers unmatched flexibility and maneuverability. Sensitive solar arrays can be effectively protected from storms, vandalism and all possible threats. What is LZY's mobile solar container?

What is LZY mobile solar container system?

LZY Mobile Solar Container System - The rapid-deployment solar solution with 20-200kWp foldable PV panels and 100-500kWh battery storage. Set up in under 3 hours for off-grid areas, construction sites & emergency power. Get a quote today!

How does LZY's photovoltaic power plant work?

LZY's photovoltaic power plant is designed to maximize ease of operation. It not only transports the PV equipment, but can also be deployed on site. It is based on a 10 - 40 foot shipping container. Efficient hydraulics help get the solar panels ready quickly.

What makes LZY solar containers different?

LZY Solar Containers use proprietary folding panel technology to maximize power generation while maintaining standard shipping dimensions. Our systems are faster to deploy, generate more power than traditional solutions, and integrate seamlessly with existing infrastructure. How long does it take to manufacture and deliver a mobile PV container?

What are tamper-proof clamshell containers?

Available in a range of shapes and sizes, tamper-proof clamshell containers help to safeguard food safety, protect your valuable produce, and look after the health of your customers. Making sure that fresh produce arrives safely in the consumer's hands is one of the biggest challenges facing today's food distribution system.

What are custom clamshell boxes?

Create strong and appealing memories in the minds of your onlookers with custom clamshell boxes. These boxes consist of a spacious upper lid and flat base that gives blank canvas to put creativity on display with addition of dazzling artworks and lively colours that incite excitement among onlookers and urge them to get the boxes.

We provide a range of eye-catching produce containers including clamshell packaging, punnets, and trays that stand out from the crowd while keeping your produce fresh!

Our patented design protects your valuable produce from damage or interference during transport and display.
