

Outdoor Power Escape Plan

How do I make a fire escape plan?

Use our fire escape grid to draw a floor plan of your home. Show all doors and windows and two ways out of every room. Mark two ways out of each room. You may have only a few minutes to get out of your home safely once the smoke alarm sounds. Everyone needs to know what to do and where to go.

How do I plan a home escape?

Mark two ways out of each room. You may have only a few minutes to get out of your home safely once the smoke alarm sounds. Everyone needs to know what to do and where to go. This tip sheet talks about planning a home escape with more illustrations and an easy-to-read format. Put your plan to the test.

What should I do if someone escapes a house?

When you walk through your plan, check to make sure the escape routes are clear and doors and windows can be opened easily. Choose an outside meeting place (i.e. neighbor's house, a light post, mailbox, or stop sign) a safe distance in front of your home where everyone can meet after they've escaped.
