

Photovoltaic panels double-sided wholesale factory direct sales

Where to buy wholesale solar panels?

If you are looking for a place to buy wholesale solar panels, you've found it. A1 SolarStore offers PV modules from all over the world for competitive prices and with fast delivery. Let us tell you a little about the panels that we offer, how we deliver them and what kind of solar panel you might need.

Do wholesale solar panels come on pallets?

Our wholesale solar panels come on pallets, offering you the perfect wholesale solar panel solution for larger projects or resellers. Whether you're outfitting a commercial property or stocking up for a residential install, these pallets of solar panels provide high-quality performance at unbeatable prices.

What is a wholesale solar panel bundle pack?

A wholesale solar panel bundle pack is a convenient package that allows you to purchase multiple high-efficiency grid tie solar panels at deep discount prices. Our packs are built with large 230W solar panels, making it easy to get all the panels you need for your home or multiple installations.

What types of solar panel bundles are available?

We offer wholesale solar panel bundles in various sizes, including 2kw, 4kw, 10kw, 25kw, and 50kw grid tie solar panel bundles. These bundles are perfect for one large or several smaller grid tie solar system installations. For updated pricing and freight quotations, please contact us.

Where can I buy a Panasonic hit solar panel?

Solar Electric Supply offers wholesale Panasonic HIT solar panels and comprehensive systems at unbeatable prices. Don't miss our special sale on the Panasonic Evervolt EVPV360PK 360W panel, Pallet & Volume orders only, while supplies last! Need a custom solution or interested in contractor discounts?

What makes Panasonic hit solar panels unique?

Beginning with the groundbreaking research on amorphous silicon solar cells in 1975, Panasonic set a new benchmark in 1997 with its HIT technology, which boasts some of the highest conversion efficiency ratings in the market. Solar Electric Supply offers wholesale Panasonic HIT solar panels and comprehensive systems at unbeatable prices.
