

# Regular portable energy storage power supply service

What is a portable power supply?

A portable power supply is a device that can store and provide electrical energy for various purposes. It can power small appliances, charge electronic devices, or supply emergency backup power in case of a blackout. Portable power supplies are usually rechargeable and have different capacities and features depending on the intended use.

Where can I buy a portable power station?

When customers buy Portable Power Stations, they often buy or consider: Find portable power stations at Lowe's today. Shop portable power stations and a variety of electrical products online at [Lowes.com](https://www.lowes.com).

How much does a portable power station cost?

A typical price for a Portable Power Station is \$1,392 but can range from approximately \$59 to \$9,429. These Portable Power Stations are the most popular among Lowe's entire selection. While these are popular, we recommend ensuring that the Portable Power Stations you consider have the right mix of features and value.

Is it safe to bring a power supply inside?

Since power is stored in batteries for later use, it's safe to bring them inside. While their capacity may be limited compared to other larger units, they can work well as a temporary source of energy for TVs and refrigerators. Many units can also be charged from alternating current (AC) household current to be ready for future use.

Are portable solar generators a good choice?

Like other portable generators, two or more solar generators can be joined, or "chained," together to increase storage and add power. Since portable solar generators don't require gas to operate, they're an excellent choice for camping or tailgating, as there's no need to worry about hauling gas cans to and from your activities.

What are the best portable power station brands?

Kobalt, EcoFlow and BLUETTI are among the most popular Portable Power Station brands. While those brands are the most popular overall, you will also find a great assortment from Jackery, Generac and Anker.
