

Solar All-in-One 130W

What is eco-worthy 130W?

• Wide Application: ECO-WORTHY 130W is a flexible high-performance solar cell that is ideally suited both as a solar module for the mobile home and especially for marine use on sailing yachts, motor yachts and other types of boats. • Maximum Stability: Our flexible solar modules are made from a special aluminum-plastic composite.

Are solar panels a good alternative to a roof top kit?

They also are a great supplemental solar kit to a roof top kit. Rugged, high quality solar panels simply plug into your RV's "Solar on the Side" outlet. Quickly and easily unfold from storage, set in the sun, plug in, and your batteries begin charging immediately. Built-in adjustable legs let you choose the panel tilt to maximum sun exposure.
