What grants are available for solar panels?

1. Green Retrofit Solar Panel Grants Note: Funds must be used within 2 years of receiving them. 2. High Energy Cost Grants Extra tip: You must prove your area's average energy cost exceeds 275% of the national average. 3. Weatherization Assistance Program (WAP) 4. Low-Income Home Energy Assistance Program (LIHEAP)

Are there grants & funding options for solar energy in 2025?

Luckily, the U.S. government has your back. Whether you're a low-income homeowner or a rural resident, there are plenty of grants and funding options in 2025 to make solar energy accessible, affordable, and efficient.

Are solar panels eligible for the federal solar tax credit?

Free, No-commitment Estimates To be eligible for the federal solar tax credit, you need to install a solar-powered energy system that provides electricity to a U.S. residence. Solar panels, solar water heaters and energy storage devices are all included in the credit.

How do government solar incentives work?

One of the most effective ways they do this is through government solar incentive programs. Solar incentives come in one of three major types: Tax breaks - Income tax credits are the most popular kinds of tax breaks, but state and local governments also commonly offer sales and property tax exemptions.

Are solar panels tax deductible?

The federal solar investment tax credit currently lets you claim 30% of your total solar system costs as a credit when you file taxes. Some places also offer tax credits that can reduce what you owe on state taxes. Property tax exemptions: Many states exclude the added home value from solar panel installations when calculating your property taxes.

What solar incentives are available?

The most important solar incentive is the 30% federal solar tax credit, which is available to taxpayers across the country. There are also other solar incentives, rebates, and tax breaks available from utility companies or state and local governments. It can be hard to find solar incentives if you don't know what you're looking for.
