

Solar panels wholesale in Zambia

Are there solar companies in Zambia?

Yes, there are solar companies in Zambia. The solar sector hosts a variety of companies operating in several business segments, including Solar Home Systems and utility scale developers. Many of these companies have their offices located in Lusaka.

Is there a solar market in Zambia?

Yes, the Zambian solar market is growing. Although it is still relatively small compared to countries like Tanzania, there is much room for solar to grow due to the increasing electricity demand in Zambia. Currently, 95% of the electricity supply comes from hydropower, with less than 1% from other renewable sources.

How does solar power work in Zambia?

Solar power in Zambia primarily uses solar photovoltaics (PV) to generate electricity. Several communities, entrepreneurs, the government, and NGOs collaborate to increase the share of solar power in the country.

What types of solar panels are available?
