

The companies that make outdoor power supplies in Bolivia include

Who produces electricity in Bolivia?

The electricity sector in Bolivia is dominated by the state-owned ENDE Corporation (Empresa Nacional de Electricidad), although the private Bolivian Power Company (Compañía Boliviana de Energía Eléctrica; COBEE) is also a major producer of electricity.

How many people will benefit from the electricity subsidy in Bolivia?

This subsidy, which will be covered for four years by the electricity companies that operate in Bolivia, will benefit about 480,000 households. In the years following the privatization of 1994, investment grew considerably due to the obligations imposed on the privatized companies.

How much electricity does Bolivia import?

Bolivia's electricity export and import activities are fairly limited. Imports from Brazil amount to less than 0.01 TWh per year and have so far been devoted to supply the city of Puerto Suarez, in the Department of Santa Cruz. Electric power consumption per capita in 2006 was 588 kWh (a 19% increase since 1996).

How many CDM-registered projects are there in Bolivia?

Currently, there are just two CDM-registered projects in Bolivia, one of them in the electricity sector. That is the Rio Taquesi Hydroelectric Power Project, in the province of Sud Yungas, with an effective capacity of 89.5 megawatts and estimated emission reductions of 141,691 metric tonnes CO₂e per annum.

How many transmission companies are there in Bolivia?

Currently, there are three transmission companies which operate the high-voltage Interconnecting Trunk System (STI), the backbone of the SIN. ENDE Corporation, ISA Bolivia, which was created in 2005, and San Cristobal TESA.

Who controls the transmission network in Bolivia?

(*) 53% of the transmission network is operated by ISA Bolivia, a subsidiary of ISA Colombia, which is controlled by the Colombian government. The Viceministry of Land Planning and Environment, within the Planning and Development Ministry, holds the environmental responsibilities in Bolivia.
